

Fun n' Games with the LG Mystics

On Thursday the 22nd May, HASCA's junior netball teams were given the opportunity to participate in a morning with the LG *Northern Mystics* at Trust Stadium, Waitakere.

This event usually has over 200 school children participating at one time. These privileged children get to watch the Mystics' morning training session and then listen to Temepara George and Vilimaina Davu give a talk. Finally, the children are given some great take-home gifts; a meusli bar, a Mystics poster, and a ticket to their next game.

HOWEVER... This week, due to the Mystics having a bye over the coming weekend, we had the privilege of actually training with them too!

The girls from both of HASCA's junior netball teams, plus around 70 other children (from two different schools) were split into groups and spent approx. 20 minutes working with two of the Mystics players.

Our girls participated in some fun ball handling drills and games. They then listened to Temepara and Vili as they spoke to the group. At the end of the morning our girls received their free gifts and collected some autographs.

It was a lovely morning and we all felt very blessed to have been given such a wonderful opportunity. Most of us will be among the spectators and fans at the next Mystics game on June 1st— thanks to the generous gift of free tickets both teams received.

A big thank you to the LG Mystics!
