

# KAPAHAKA ANYONE?

## HOMESCHOOL KAPAHAKA GROUP

**Thursday, 29th April 2010, 1:15pm—2:15pm**

session one — entry by koha (donation)

**Join us for a trial session of our new Home Ed' Kapahaka Group next Thursday.**

Our experienced Kapahaka tutor Tui Tawhai will teach our home educated children (preschool through highschool age) Kapahaka which includes; waiata (song), poi, haka, Maori stick dance etc — with emphasis on having fun and enjoying the experience. Learning bits of Te Reo Maori (Maori language) along the way.

This group will run for nine weeks each term throughout 2010—under the leadership of Rebecca Hall. Many of you will remember Rebecca from last year's fabulous Maori Culture Workshop where our children got to experience; waiata (Maori song and dance), harakeke (flax weaving), paraoa (making maori bread), tititora (stick and poi dance), and mahi toi (Maori art). Rebecca has a real desire to share Maori Culture and Maori Language with our community—the Kapahaka Group is just a start of some wonderful programmes we have planned in 2010/2011. *Parents & children—we will need your support (through participation) to make these groups & programmes viable.*

For more information—please contact: Rebecca [krhall@xtra.co.nz](mailto:krhall@xtra.co.nz) or (09) 482 3999

## SHORE HOME EDUCATORS (SHE) LIBRARY & HASCA BOOK CLUB

The SHE Library has been relocated and is temporarily housed at Lynn Rolston's home in Milford as the YMCA undergoes renovations. Address: 11 Anakiwa Place, Milford.

HASCA's Scholastic Book Club will continue using the SHE Library as a base, and hopefully the North Shore YMCA. Please remember - the Book Club is a fundraising initiative and all book tokens earned from orders are donated back to the SHE Library to purchase and upgrade resources for your use. *Book Club enquiries - email HASCA.*

The library cupboards are open for access on Fridays 12noon -5pm or by arrangement.

Lynn will also bring requested books to the YMCA each Thursday—for your collection.
