

## HOMESCHOOL SPORTS UPDATE

### BASKETBALL

#### Senior Team

Our homeschool under 19 boys basketball team are so far unbeaten in their competition. What an achievement! All the best for the rest of the season.

#### Junior Team

The primary basketball team, Homeschool Heat, have gone from strength to strength this term. Last week they won their semi-final 13-08 against the Chelsea Crushers! They will play in their grade final on July 11th. Good luck!

### NETBALL

#### Winter Netball Terms 2 & 3

The 14-week winter netball season is well underway with most grading rounds completed or finishing this week.

We have four homeschool teams playing in the Netball North Harbour Winter 'Schools' Competition this season: Yr10, Yr8, Yr7 and Yr6.

The winter netball season does not finish until the end of term 3 - we will be sure to post season results then. Good luck to all our netball teams for the balance of their competition games! Go HASCA!

#### Twilight Netball Term 4

The twilight 'social' netball competition is played for six weeks during term 4. If your child is keen to play, keep an eye out for notices towards the end of term 3.

### 'MILLENNIUM MONDAY' SWIMMING & SPORTS

The homeschool SWIM programme has been running for over 18-months now and has grown from 15 swimmers to more than 40! This popular and affordable 'learn to swim' programme provides lessons to home educated children 8yrs+, beginners through to advanced levels. It is run by qualified Millennium Swim School instructors who are excellent with the children.

Term 3's programme will run for 8-weeks, Monday 29 July—Monday 16 Sept. Nine skill based lanes run over three sessions: 1.15, 1.45 and 2.15. Lessons are just \$5.75 for 30-mins with term fees payable in full prior to week one.

Most of our term 2 families will be returning however we may have a few spots available in the intermediate 1&2 lanes. We can wait-list other levels as lane numbers often change after end-of-term assessments. Also, there is a wait-list in place for term 4's swimming programme — this is quite full already!

Please email Sandra at [sandy.andy@xtra.co.nz](mailto:sandy.andy@xtra.co.nz) if you are interested in joining the homeschool swimming programme.

We are planning to run the homeschool SPORTS programme again in term 4.

## SHORE HOME EDUCATORS LIBRARY & HASCA MEMBERSHIP

The Shore Home Educators (SHE) Library is supported under the HASCA umbrella.

Library membership was \$15.00 per annum but is currently included (at no extra cost) in HASCA's annual family membership.

You receive membership to both HASCA and the SHE library (plus a key) for just \$15.

The SHE library houses hundreds of fabulous books, games, audio tapes, DVDs, home education curricula and resources. Lynn and her team of hard working parent (volunteer) librarians update and upgrade resources regularly.

The library is housed at the North Shore YMCA situated at 5 Akoranga Dr, Northcote. The Homeschool Library can be accessed during the YMCA's normal opening hours:

<b>Mon - Thur</b>	5.45am - 8.30pm
<b>Fri</b>	5.45am - 7.30pm
<b>Sat</b>	7.30am - 5.00pm
<b>Sun</b>	7.30am - 5.00pm

**To join the SHE Library please email Lynn at [lynnrolston@slingshot.co.nz](mailto:lynnrolston@slingshot.co.nz)**  
Lynn will organise a key for your family so you can access the library at your leisure.

*Please ensure you complete a HASCA membership form when joining.  
A membership form can be downloaded via our website or completed online.*

## ABOUT ROBOCLUB

Established in Auckland New Zealand in 2012. RoBoCluB® was designed to provide children with the opportunity to learn Science, Technology, Engineering and Maths.

The club achieves this in a fun way using LEGO® Mindstorms® and Classic K'nex®.

This equipment has been designed to be intuitive and cater for children with different levels of ability or need.

The club's aim is to provide children with a learning environment through challenge. It is a hands on approach where children solve problems through programming or building.

RoBoCluB® is open to children aged 6 to 15.

Check out: [www.roboclub.co.nz](http://www.roboclub.co.nz).

*HASCA would like to acknowledge and sincerely thank all the parents and teens who work so hard to make our groups, classes and sports teams a success!*

*Without these wonderful volunteers these opportunities would not be available for our children or h/s community.*

*Sincere thanks also to Mike and Helen Lacey and the North Shore YMCA for their many years of support and the excellent programmes they provide for our children each term!*
