

HASCA, an incorporated society, that was set up by North Shore home educating parents to promote and unite home educating families involvement in sport and cultural events.

It was originally set up in March 2002, where North Harbour Basketball did not allow our secondary school basketball teams (or individuals playing for a school) to compete in the secondary school competitions administrated by them, on behalf of ASSHA (Auckland Secondary Schools Heads of Assoc.). One of our parents was elected to the board of North Harbour Basketball, which resulted in our teams being allowed to enter these competitions.

A very important advantage of our organisation is that as an incorporated society HASCA is able to apply for grants to subsidise our activities which we wouldn't qualify to do if we were not incorporated.

### HASCA Objectives

- To administer members' entry into the secondary school and other age groups where necessary for sports, education and cultural events.
- To conduct and facilitate the maximum participation of home schooled students' sports, education & cultural events.
- To promote public awareness of the benefits of members involvement in sport, education and other cultural events.

### HASCA Subs

Membership fees are \$20.00 per year (Jan-Dec), per family.
